Sportsman Club observing 50th birt

Catch a good meal, then catch a fish from pre-drilled hole at Ice Fishing D

The Mishicot Sportsman Club is holding a 50th anniversary banquet at 7 p.m. Jan. 14 at Koeppel's La Fiesta. Tickets can be obtained for $10 each from club members, or call Don Tuschel at 776-1469.

When the club started, it was more of a hunting club. Pheasants were raised in back of the Harvey Dvorak Gas Station. They started having trouble with fox and about 45 years ago became a club all year round. They then affiliated with the Fish and Game Association.

The club makes donations to the Fish and Game Association, hunter safety programs, Camp TaPaWingo, Wooden Wonder-

land playground in Mishicot, and the Fish Stocking Program.

Meetings are held at 8 p.m. on the first Wednesday of the month at the clubhouse in Jambo Creek. Present officers are President Dennis Remiker, Vice President Tony Heyroth, Treasurer Don Tuschel and Secretary Billie Joe Maedke.

Another event coming up for the Mishicot Sportsman Club is the Ice Fishing Derby (ice permitting) on Jan. 21 from 6 a.m. to 4 p.m.

It will be held at Bolt Lake in Kewaunee County. People will be on hand to drill holes for you. Food and refreshments will be available and everyone is welcome.

Winter getting you down? Here's your opportunity for a change in pace. Don's Home Improvement of Mishicot is sponsoring a trip to Las Vegas on March 13 to 17, (four nights/five days) staying at the Imperial Palace on the strip — across from Caeser's Palace, Treasure Island and the Mirage! Price is $413 per person and includes bus transportation to the hotel and baggage handling. Please contact Carol Jaeger at 755-2710 for complete details and sign-up sheets.

As we experience winter weather, take advantage of the Sand and Salt Project of the Mishicot FFA. You can fill your jugs at local businesses and be prepared when you are slipping and sliding!

A Snowmobile Safety Class will be offered to all students 11½ years old or older who want to obtain their snowmobile driver's license. The classes will be offered Jan. 5, 11 and 12 from 6 to 8 p.m. in the Two Rivers Community House. For more information, call 794-1870 or 793-1793.

As we start the new year of 1995, it would be nice if we all cooperated in improving our community. It is a very nice community in which to live, but there would be some things we could improve upon. The Mishicot Area Growth and Improvement Committee (M.A.G.I.C.) has scheduled their annual meeting and banquet for Feb. 12 at Fox Hills. The speaker will be Fr. Thomas (Tom Fern) who along with the Habitants of New France will be coming to Jambo Creek to establish a complete en-

Fr. Thomas presents historically accurate and informative descriptions of the life and experiences of the early Jesuit missionaries of North America.

His presence at our banquet will give us insight as to what we can expect during the three-day June celebration.
